Dear Sir:

Following are clarifications to your questions on the April 13th change order.

Mobile radio interface cables back to pump panel in spec: pg85. Mounting does not include any interface cables. If you can supply these cables with your radios we will install.

Credit for deck gun fog nozzle. Credit: \$744.00

Delete from your spec 2nd E Brake. This was on January 19, 2021 change order for \$334.00. We will not add this cost into the total.

Brow light rust. This will be taken care of before delivery.

THERE ARE 5 GRAB RAILS IN THE SPEC p116 72" grab rail top of cab 1X (no charge) Grab rail front of speedlays 2X (no charge) Grab rail back side of crosslays 2X (on change order) Grab rails horizontal rear 2X (no charge). Not sure what your question is here. We are good, just needed clarification of qty, thanks. DT

Longer grab rail portion of rear push up scene lights. We are reducing the travel/extension for a longer grab rail portion on the two scene flood lights in the rear. No Charge

Rear cab shelf larger to 72" wide. No charge

Plate/shelve in cab on rear of dog house for radio bank charger. No Charge

Walkway compartment fold down doors. Yes fold down doors.

Clear lens for stop / turn/ reverse lights. Yes clear lens.

We have \$8,000.00 included for tool mounting. This will be used for any additional tool mounting and the unused balance can be deducted from the final invoice.

If you approve this information, please sign and return one copy.
We also need the April 13th change order signed and returned.

If you have any questions, please call.

Sincerely,

Mark R. Albright
